suits, actions, costs, damages or expenses arising from any negligent or intentional act or omission of Contractor or subcontractor, or agents of either, while performing under the terms of this Contract. By requiring insurance herein, State does not represent that coverage and limits will be adequate to protect Contractor, and such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to the State in this Contract.

Contractor shall, at all times during the term of the Contract at its own cost and expense buy and maintain insurance of the types and amounts listed below. OSOS shall be provided written notice before cancellation or non-renewal of any insurance referred to therein. Failure to buy and maintain the required insurance may result in the termination of the Contract at OSOS option.

COMMERCIAL GENERAL LIABILITY (CGL) AND EMPLOYERS LIABILITY INSURANCE

Contractor shall maintain general liability (CGL) insurance, and, if necessary, commercial umbrella insurance with a limit of not less than \$1,000,000 per each occurrence. If such CGL insurance contains aggregate limits, the General Aggregate limit shall be at least twice the "each occurrence" limit. CGL insurance shall have products-completed operations aggregate limit of at least two times the "each occurrence" limit.

CGL insurance shall be written on ISO occurrence form CG 00 01 (or a substitute form providing equivalent coverage). All insurance shall cover liability arising out of premises, operations, independent contractors, products-completed operations, personal injury and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract), and contain separation of insureds (cross liability) condition.

Contractor shall buy employers liability insurance, and, if necessary, commercial umbrella liability insurance with limits not less than \$1,000,000 each accident for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease.

EMPLOYERS LIABILITY (STOP GAP) INSURANCE

Contractor shall buy employers liability insurance, and, if necessary, commercial umbrella liability insurance with limits not less than \$1,000,000 each accident for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease.

WORKERS COMPENSATION INSURANCE

Contractor shall comply with all state of Washington workers compensation statutes and regulations. Workers compensation coverage shall be provided for all employees of Contractor and employees of any subcontractor. Coverage shall include bodily injury (including death) by accident or disease, which arises out of or in connection with the performance of this Contract. Except as prohibited by law, Contractor waives all rights of subrogation against State for recovery of damages to the extent they are covered by workers compensation, employers liability, commercial general liability or commercial umbrella liability insurance.

If Contractor or subcontractor fails to comply with all state of Washington workers' compensation statutes and regulations and State incurs fines or is required by law to provide benefits to or obtain coverage for such employees, Contractor shall indemnify State. Indemnity shall include all fines, payment of benefits to Contractor or subcontractor employees, or their heirs or legal representatives, and the cost of effecting coverage on behalf of such employees.

Any amount owed to State by Contractor pursuant to the indemnity agreement may be deducted from any payments owed by State to Contractor for performance of this Contract.

BUSINESS AUTO POLICY (BAP)

In the event that services delivered pursuant to this Contract involve the use of vehicles, either owned or unowned by Contractor, automobile liability insurance shall be required. The minimum limit for automobile liability is:

Contractor shall maintain business auto liability and, if necessary, commercial umbrella liability insurance with a limit not less than \$1,000,000 per accident using a Combined Single Limit for bodily injury and property damage. Such insurance shall cover liability arising out of "Any Auto." Contractor waives all rights of subrogation against State for recovery of damages to the extent they are covered.

Business auto coverage shall be written on ISO form CA 00 01, or substitute liability form providing equivalent coverage. If necessary the policy shall be endorsed to provide contractual liability coverage and cover a "covered pollution cost or expense" as provided in the 1990 or later editions of CA 00 01.

Contractor waives all rights against State for the recovery of damages to the extent they are covered by business auto liability or commercial umbrella liability insurance.

Contractor shall include all subcontractors as insureds under all required insurance policies, or shall furnish separate certificates of insurance and endorsements for each subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

The insurance required shall be issued by an insurance company/ies authorized to do business within the state of Washington, and shall name the Office of the Secretary of State, State of Washington, its agents and employees as additional insureds on all general liability, umbrella, excess, and property insurance policies. All policies shall be primary to any other valid and collectable insurance. The Contractor shall instruct its insurers to give the Purchaser 30 days advance notice of any insurance cancellation.

The Contractor shall submit to OSOS, within 7 days of the Contract's Effective Date, a certificate of insurance, executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements specified in the Contract, or a complete description of the self insurance program and a financial statement showing the status of the self insurance fund.

In the event the Contract is terminated as provided above, OSOS shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of a breach of the contract by Contractor. The existence of facts upon which the Agent makes any determination under this Section 7 shall be an issue and may be reviewed as provided in Section 10 below.

8. **COPYRIGHT PROVISIONS** – Unless otherwise provided, all Materials produced under the Contract shall be considered “works for hire” as defined by the U.S. Copyright Act and shall be owned by OSOS. OSOS shall be considered the author of such Materials. INDEMNIFICATION - To the fullest extent permitted by law, Contractor shall indemnify, defend, and hold harmless Washington State, agencies of Washington State and all officials, agents and employees of Washington State, from and against all claims for injuries or death arising out of or resulting from the performance of the Contract. Contractor's obligation to indemnify, defend, and hold harmless includes any claim by Contractors' agents, employees, representatives, or any Subcontractor or its employees.

Contractor expressly agrees to indemnify, defend, and hold harmless Washington State for any claim arising out of or incident to Contractor's or any Subcontractor's performance or failure to perform the Contract. Contractor's obligation to indemnify, defend, and hold harmless Washington State shall not be eliminated or reduced by any actual or alleged concurrent negligence of Washington State or its agents, agencies, employees and officials.

Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless Washington State and its agencies, officials, agents or employees.

13. INDEPENDENT CAPACITY OF THE CONTRACTOR - The parties intend that an independent contractor relationship will be created by the Contract. Contractor and his or her employees or agents performing under the Contract are not employees or agents of OSOS. Conduct and control of the work will be solely with Contractor.

14. INDUSTRIAL INSURANCE COVERAGE - Contractor shall comply with the provisions of Title 51 RCW, Industrial Insurance. If Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, OSOS may collect from Contractor the full amount payable to the Industrial Insurance accident fund. OSOS may deduct the amount owed by Contractor to the accident fund from the amount payable to Contractor by OSOS under the Contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from Contractor.

15. LICENSING, ACCREDITATION AND REGISTRATION – Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary for the performance of the Contract.

16. LIMITATION OF AUTHORITY - Only the Agent or Agent's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of the Contract. Furthermore, any alteration, amendment, modification, or waiver of any clause or condition of the Contract is not effective or binding unless made in writing and signed by the Agent.

17. NONDISCRIMINATION - During the performance of the Contract, Contractor shall comply with all federal and state nondiscrimination laws, regulations and policies.

18. NONCOMPLIANCE WITH NONDISCRIMINATION LAWS - In the event of Contractor's noncompliance or refusal to comply with any nondiscrimination law, regulation, or policy the Contract may be rescinded, canceled, or terminated in whole or in part, and Contractor may be declared ineligible for further contracts with OSOS. Contractor shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth in Section 10 above.

19. PRIVACY - Personal information including, but not limited to Protected Health Information collected, used, or acquired in connection with the Contract shall be protected against unauthorized use, disclosure, modification or loss. Contractor shall ensure its directors, officers, employees, Subcontractors or agents use personal information solely for the purposes of accomplishing the services set forth in the Contract. Contractor and its Subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of OSOS or as otherwise required by law.

Any breach of this provision may result in termination of the contract and the demand for return of all personal information. Contractor agrees to indemnify and hold harmless Washington State for any damages related to Contractor's unauthorized use of personal information.

20. PUBLICITY - Contractor agrees to submit to OSOS all advertising and publicity matters relating to the Contract wherein OSOS's name is mentioned or language used from which the connection of OSOS's name may, in OSOS's judgment, be inferred or implied. Contractor shall not publish or use such advertising and publicity matters without the prior written consent of OSOS.

21. RECORDS MAINTENANCE - Contractor shall maintain books, records, documents, data and other evidence relating to the Contract and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of the Contract. Contractor shall retain such records for a period of six (6) years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review or audit by OSOS, personnel duly authorized by OSOS, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

22. REGISTRATION WITH DEPARTMENT OF REVENUE – Contractor shall complete registration with the Washington State Department of Revenue and be responsible for payment of all taxes due on payments made under the Contract.

23. RIGHT OF INSPECTION - Contractor shall provide right of access to its facilities to OSOS, or any of its officers, or to any other authorized agent or official of the Washington State or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under the Contract.

24. SAVINGS - In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of the Contract and prior to normal completion, OSOS may terminate the contract under the "Termination for Convenience" clause, without the ten day notice requirement, subject to renegotiation under those new funding limitations and conditions.

25. SITE SECURITY – While on OSOS premises, Contractor, its agents, employees, or Subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

26. SUBCONTRACTING - Neither Contractor nor any Subcontractor shall enter into subcontracts for any of the work contemplated under the Contract without obtaining prior written approval of OSOS. In no event shall the existence of the subcontract operate to release or reduce the liability of Contractor to the Department for any breach in the performance of Contractor's duties. This clause does not include contracts of employment between Contractor and personnel assigned to work under the Contract.

Additionally, Contractor is responsible for ensuring that all terms, conditions, assurances and certifications set forth in the Contract are carried forward to any subcontracts. Contractor and its Subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of OSOS or as provided by law.

27. TAXES – All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for Contractor or its staff shall be the sole responsibility of Contractor.

28. TERMINATION FOR CAUSE – In the event OSOS determines Contractor has failed to comply with the conditions of the Contract in a timely manner, OSOS has the right to suspend or terminate the Contract. Before suspending or terminating the Contract, OSOS shall notify Contractor in writing of the need to take corrective action. If corrective action is not taken within thirty (30) days, the Contract may be terminated or suspended. In the event of termination or suspension, Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Contract and the replacement or cover Contract and all administrative costs directly related to the replacement Contract, e.g., cost of the competitive bidding, mailing, advertising and staff time. OSOS reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by Contractor or a decision by OSOS to terminate the Contract.

A termination shall be deemed to be a “Termination for Convenience” if it is determined that Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence. The rights and remedies of OSOS provided in the Contract are not exclusive and are in addition to any other rights and remedies provided by law.

29. TERMINATION FOR CONVENIENCE - Except as otherwise provided in the Contract, OSOS may, by 10 days written notice, beginning on the second day after the mailing, terminate the Contract, in whole or in part. If the Contract is so terminated, OSOS shall be liable only for payment required under the terms of the Contract for services rendered or goods delivered prior to the effective date of termination.

30. TERMINATION PROCEDURES - Upon termination of the Contract OSOS, in addition to any other rights provided in the Contract, may require Contractor to deliver to OSOS any property specifically produced or acquired for the performance of such part of the Contract as has been terminated. The provisions of the “Treatment of Assets” in Section 31 below shall apply in such property transfer.

OSOS shall pay to Contractor the agreed upon price, if separately stated, for completed work and services accepted by OSOS, and the amount agreed upon by Contractor and OSOS for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services which are accepted by OSOS, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Agent shall determine the extent of the liability of OSOS. Failure to agree with such determination shall be a dispute within the meaning of the “Disputes” clause in Section 10 above. OSOS may withhold from any amounts due Contractor such sum as the Agent determines to be necessary to protect OSOS against potential loss or liability.

The rights and remedies of OSOS provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

After receipt of a notice of termination, and except as otherwise directed by the Agent, Contractor shall:

- Stop work under the contract on the date, and to the extent specified, in the notice;
- Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract as is not terminated;
- Assign to OSOS, in the manner, at the times, and to the extent directed by the Agent, all of the rights, title, and interest of Contractor under the orders and subcontracts so terminated, in which case OSOS has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.
- Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the Agent to the extent Agent may require, which approval or ratification shall be final for all the purposes of this clause;

- Complete performance of such part of the work as shall not have been terminated by the Agent; and

Take such action as may be necessary, or as the Agent may direct, for the protection and preservation of the property related to the Contract which is in the possession of Contractor and in which OSOS has or may acquire an interest.

31. TREATMENT OF ASSETS

A. Title to all property furnished by OSOS shall remain in OSOS. Title to all property furnished by Contractor, for the cost of which Contractor is entitled to be reimbursed as a direct item of cost under the Contract, shall pass to and vest in OSOS upon delivery of such property by Contractor. Title to other property, the cost of which is reimbursable to Contractor under the Contract, shall pass to and vest in OSOS upon (i) issuance for use of such property in the performance of the Contract, or (ii) commencement of use of such property in the performance of the Contract, or (iii) reimbursement of the cost thereof by OSOS in whole or in part, whichever first occurs.

B. Any property of OSOS furnished to Contractor shall, unless otherwise provided herein or approved by OSOS, be used only for the performance of the Contract.

C. Contractor shall be responsible for any loss or damage to property of OSOS which results from the negligence of Contractor or which results from the failure on the part of Contractor to maintain and administer that property in accordance with sound management practices.

D. If any of OSOS property is lost, destroyed or damaged, Contractor shall immediately notify OSOS and shall take all reasonable steps to protect the property from further damage.

E. Contractor shall surrender to OSOS all property of OSOS prior to settlement upon completion, termination or cancellation of the Contract.

F. All reference to Contractor under this Section 31 shall also include Contractor's employees, agents or Subcontractors.

32. WAIVER- Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of the Contract unless stated to be such in writing and signed by authorized representative of OSOS.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to the department, institution, or office to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 41 CFR 105, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 41 CFR 105, debarred, suspended, declared ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the list of parties excluded from the federal procurement and non-procurement programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

- 9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 41 CFR 105, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
