

PROVISIONAL CERTIFICATION OF ES&S EVS 6.1.1.0

On August 17, 2020 Thurston County Auditor May Hall requested that the Office of the Secretary of State grant Thurston County permission to update their tabulation system to EVS 6.1.1.0 during the restricted period for use in the General Election. Thurston County requested emergency administrative approval of EVS 6.1.1.0 by the Secretary of State under WAC 434-335-210, as failure to modify the system may materially affect the lawful conduct, efficiency, accuracy, and security of the upcoming November 2020 General Election in Thurston County. ES&S EVS 6.1.1.0 received a certificate of conformance from the United States Election Assistance Commission on July 27, 2020 numbered ESSEVS6110.

On this date, under the provisions of WAC 434-335-190, the Office of the Secretary of State hereby grants permission for Thurston County to install this modification during the restricted period when used in compliance with the procedures contained in this certification, accompanying Reports and Findings, and Washington State law.
