Future Voter

"The vote starts with you!"

Office of the Secretary of State

Elections Division

What is the Future Voter program?

Future Voter allows 16- and 17-year-olds to sign up and be automatically registered to vote **when they become eligible**.

How do I qualify for Future Voter?

To sign up, you must be:

- At least 16 years old,
- A U.S. citizen, and
- A Washington resident.

You do not lose the right to vote for a conviction in juvenile court.

Why should I be a Future Voter?

Registering to vote early in life is the first step toward being civically engaged and becoming a lifelong voter.

Register online!

How do I sign up?

You have several options:

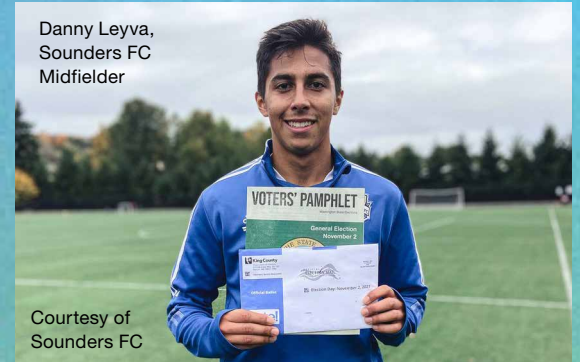

- Online at **VoteWA.gov** using your driver's license, permit, or state ID.
- Mailing in a paper form.
- In person at your county elections office or when you get your driver's license, permit, or ID at Department of Licensing.
- At your school's Temperance and Good Citizenship Day event in January.

What if I don't have a driver's license, permit, or state ID?

Use the last four (4) digits of your social security number to sign up using a paper form.

 Your information is protected while underage. Once you are eligible, you'll be automatically registered to vote and will be able to log in to **VoteWA.gov**.
