Initiative Measure No. 1204

filed 2/10/2012

AN ACT Relating to a working driver's license; amending RCW 46.20.291, 46.20.311, 46.20.342, 46.20.391, and 46.25.050; adding a new section to chapter 46.20 RCW; repealing RCW 46.20.289; and prescribing penalties.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON:

NEW SECTION. **Sec. 1.** A new section is added to chapter 46.20 RCW to read as follows:

(1) The department shall issue a working driver's license to a person when the department receives notice from a court under RCW 46.63.070(6), 46.63.110(6), or 46.64.025 that the person has failed to respond to a notice of traffic infraction, failed to appear at a requested hearing, violated a written promise to appear in court, or has failed to comply with the terms of a notice of traffic infraction or citation, other than for a standing, stopping, or parking violation. A working driver's license holder may only operate a motor vehicle between the hours of 7:30 a.m. and 8:30 p.m.

(2) (a) (i) A working driver's license holder must pay a monthly fee of ten dollars until the applicable traffic infraction penalty amount or amounts are paid in full. Payment of the monthly fee must be made to the court or collection agency that is owed the applicable traffic infraction penalty amount or amounts. The first traffic infraction penalty amount must be paid in full before the monthly fee is applied to the next subsequent penalty amount owed, if any.

(ii) A late fee of two hundred dollars is assessed and the working driver's license must be suspended if the holder fails to pay the ten dollar monthly fee for six consecutive months. The holder must also pay the sixty dollars owed from failure to pay the monthly fee for six consecutive months. The court must rescind the suspension of the working driver's license upon payment of the two hundred dollar late fee and sixty dollars in monthly fees owed and provide an adjudication slip to the holder to give to the department that indicates the holder is current on all owed payments.

(b) The holder of a working driver's license may enter into a payment plan with the court under RCW 46.63.110(6) and have his or her original driver's license restored if the holder has paid the ten dollar monthly fee under (a) (i) of this subsection for ten consecutive months. However, if the holder fails to make any two payments under the payment plan, the court must suspend the holder's original driver's license and reinstate the working driver's license.

(3) A working driver's license holder who operates a motor vehicle outside of the hours of restriction under subsection (1) of this section is subject to a penalty of one hundred twenty-five dollars, which must be paid after any applicable traffic infraction penalties have been paid in full.

(4) A motor vehicle operated by a holder of a working driver's license may not be impounded under chapter 46.55 RCW.

(5) This section applies to the holder of a commercial driver's license under chapter 46.25 RCW.

NEW SECTION. **Sec. 2.** RCW 46.20.289 (Suspension for failure to respond, appear, etc.) and 2005 c 288 s 5, 2002 c 279 s 4, 1999 c 274 s 1, 1995 c 219 s 2, & 1993 c 501 s 1 are each repealed.

Sec. 3. RCW 46.20.291 and 2007 c 393 s 2 are each amended to read as follows:

The department is authorized to suspend the license of a driver upon a showing by its records or other sufficient evidence that the licensee:

(1) Has committed an offense for which mandatory revocation or suspension of license is provided by law;

(2) Has, by reckless or unlawful operation of a motor vehicle, caused or contributed to an accident resulting in death or injury to any person or serious property damage;

(3) Has been convicted of offenses against traffic regulations governing the movement of vehicles, or found to have committed traffic infractions, with such frequency as to indicate a disrespect for traffic laws or a disregard for the safety of other persons on the highways;

(4) Is incompetent to drive a motor vehicle under RCW 46.20.031(3);

~~(5) ((Has failed to respond to a notice of traffic infraction, failed to appear at a requested hearing, violated a written promise to appear in court, or has failed to comply with the terms of a notice of traffic infraction or citation, as provided in RCW 46.20.289;~~

~~—(6))~~ Is subject to suspension under RCW 46.20.305 or 9A.56.078;

~~((7))~~ (6) Has committed one of the prohibited practices relating to drivers' licenses defined in RCW 46.20.0921; or

~~((8))~~ (7) Has been certified by the department of social and health services as a person who is not in compliance with a child support order or a residential or visitation order as provided in RCW 74.20A.320.

Sec. 4. RCW 46.20.311 and 2006 c 73 s 15 are each amended to read as follows:

(1) (a) The department shall not suspend a driver's license or privilege to drive a motor vehicle on the public highways for a fixed period of more than one year, except as specifically permitted under RCW 46.20.267, 46.20.342, or other provision of law.

(b) Except for a suspension under RCW 46.20.267, (~~46.20.289~~) 46.20.291(5), 46.61.740, or 74.20A.320, whenever the license or driving privilege of any person is suspended by reason of a conviction, a finding that a traffic infraction has been committed, pursuant to chapter 46.29 RCW, or pursuant to RCW 46.20.291 or 46.20.308, the suspension shall remain in effect until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW.

(c) If the suspension is the result of a nonfelony violation of RCW 46.61.502 or 46.61.504, the department shall determine the person's eligibility for licensing based upon the reports provided by the alcoholism agency or probation department designated under RCW 46.61.5056 and shall deny reinstatement until enrollment and participation in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502(6) or 46.61.504(6), the department shall determine the person's eligibility for licensing based upon the reports provided by the alcohol or drug dependency agency required under RCW 46.61.524 and shall deny reinstatement until satisfactory progress in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, and the person is required pursuant to RCW 46.20.720 to drive only a motor vehicle equipped with a functioning ignition interlock, the department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. If, based upon notification from the interlock provider or otherwise, the department determines that an interlock required under RCW 46.20.720 is no longer installed or functioning as required, the department shall suspend the person's license or

privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(d) Whenever the license or driving privilege of any person is suspended as a result of certification of noncompliance with a child support order under chapter 74.20A RCW or a residential or visitation order, the suspension shall remain in effect until the person provides a release issued by the department of social and health services stating that the person is in compliance with the order.

(e)(i) The department shall not issue to the person a new, duplicate, or renewal license until the person pays a reissue fee of seventy-five dollars.

(ii) If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, or is the result of administrative action under RCW 46.20.308, the reissue fee shall be one hundred fifty dollars.

(2)(a) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked, unless the revocation was for a cause which has been removed, is not entitled to have the license or privilege renewed or restored until: (i) After the expiration of one year from the date the license or privilege to drive was revoked; (ii) after the expiration of the applicable revocation period provided by RCW 46.20.3101 or 46.61.5055; (iii) after the expiration of two years for persons convicted of vehicular homicide; or (iv) after the expiration of the applicable revocation period provided by RCW 46.20.265.

(b)(i) After the expiration of the appropriate period, the person may make application for a new license as provided by law together with a reissue fee in the amount of seventy-five dollars.

(ii) If the revocation is the result of a violation of RCW 46.20.308, 46.61.502, or 46.61.504, the reissue fee shall be one hundred fifty dollars. If the revocation is the result of a nonfelony

violation of RCW 46.61.502 or 46.61.504, the department shall determine the person's eligibility for licensing based upon the reports provided by the alcoholism agency or probation department designated under RCW 46.61.5056 and shall deny reissuance of a license, permit, or privilege to drive until enrollment and participation in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502(6) or 46.61.504(6), the department shall determine the person's eligibility for licensing based upon the reports provided by the alcohol or drug dependency agency required under RCW 46.61.524 and shall deny reinstatement until satisfactory progress in an approved program has been established and the person is otherwise qualified. If the revocation is the result of a violation of RCW 46.61.502 or 46.61.504, and the person is required pursuant to RCW 46.20.720 to drive only a motor vehicle equipped with a functioning ignition interlock or other biological or technical device, the department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person applying for a new license. If, following issuance of a new license, the department determines, based upon notification from the interlock provider or otherwise, that an interlock required under RCW 46.20.720 is no longer functioning, the department shall suspend the person's license or privilege to drive until the department has received written verification from an interlock provider that a functioning interlock is installed.

(c) Except for a revocation under RCW 46.20.265, the department shall not then issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. For a revocation under RCW 46.20.265, the department shall not issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant that

person the privilege of driving a motor vehicle on the public highways.

(3) (a) Whenever the driver's license of any person is suspended pursuant to Article IV of the nonresident violators compact or RCW 46.23.020 or (~~(46.20.289 or)~~) 46.20.291(5), the department shall not issue to the person any new or renewal license until the person pays a reissue fee of seventy-five dollars.

(b) If the suspension is the result of a violation of the laws of this or any other state, province, or other jurisdiction involving (i) the operation or physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor or drugs, or (ii) the refusal to submit to a chemical test of the driver's blood alcohol content, the reissue fee shall be one hundred fifty dollars.

Sec. 5. RCW 46.20.342 and 2011 c 372 s 2 are each amended to read as follows:

(1) It is unlawful for any person to drive a motor vehicle in this state while that person is in a suspended or revoked status or when his or her privilege to drive is suspended or revoked in this or any other state. Any person who has a valid Washington driver's license or valid working driver's license is not guilty of a violation of this section.

(a) A person found to be a habitual offender under chapter 46.65 RCW, who violates this section while an order of revocation issued under chapter 46.65 RCW prohibiting such operation is in effect, is guilty of driving while license suspended or revoked in the first degree, a gross misdemeanor. Upon the first such conviction, the person shall be punished by imprisonment for not less than ten days. Upon the second conviction, the person shall be punished by imprisonment for not less than ninety days. Upon the third or subsequent conviction, the person shall be punished by imprisonment for not less than one hundred eighty days. If the person is also convicted of the offense defined in RCW 46.61.502 or 46.61.504, when both convictions arise from the same event, the minimum sentence of confinement shall be not less than ninety days. The minimum sentence

of confinement required shall not be suspended or deferred. A conviction under this subsection does not prevent a person from petitioning for reinstatement as provided by RCW 46.65.080.

(b) A person who violates this section while an order of suspension or revocation prohibiting such operation is in effect and while the person is not eligible to reinstate his or her driver's license or driving privilege, other than for a suspension for the reasons described in (c) of this subsection, is guilty of driving while license suspended or revoked in the second degree, a gross misdemeanor. For the purposes of this subsection, a person is not considered to be eligible to reinstate his or her driver's license or driving privilege if the person is eligible to obtain an ignition interlock driver's license but did not obtain such a license. This subsection applies when a person's driver's license or driving privilege has been suspended or revoked by reason of:

(i) A conviction of a felony in the commission of which a motor vehicle was used;

(ii) A previous conviction under this section;

(iii) A notice received by the department from a court or diversion unit as provided by RCW 46.20.265, relating to a minor who has committed, or who has entered a diversion unit concerning an offense relating to alcohol, legend drugs, controlled substances, or imitation controlled substances;

(iv) A conviction of RCW 46.20.410, relating to the violation of restrictions of an occupational driver's license, a temporary restricted driver's license, or an ignition interlock driver's license;

(v) A conviction of RCW 46.20.345, relating to the operation of a motor vehicle with a suspended or revoked license;

(vi) A conviction of RCW 46.52.020, relating to duty in case of injury to or death of a person or damage to an attended vehicle;

(vii) A conviction of RCW 46.61.024, relating to attempting to elude pursuing police vehicles;

- (ix) A conviction of RCW 46.61.500, relating to reckless driving;
- (x) A conviction of RCW 46.61.502 or 46.61.504, relating to a person under the influence of intoxicating liquor or drugs;
- (xi) A conviction of RCW 46.61.520, relating to vehicular homicide;
- (xii) A conviction of RCW 46.61.522, relating to vehicular assault;
- (xiii) A conviction of RCW 46.61.527(4), relating to reckless endangerment of roadway workers;
- (xiv) A conviction of RCW 46.61.530, relating to racing of vehicles on highways;
- (xv) A conviction of RCW 46.61.685, relating to leaving children in an unattended vehicle with motor running;
- (xvi) A conviction of RCW 46.61.740, relating to theft of motor vehicle fuel;

- (xix) A conviction of a local law, ordinance, regulation, or resolution of a political subdivision of this state, the federal government, or any other state, of an offense substantially similar to a violation included in this subsection; or
- (xx) A finding that a person has committed a traffic infraction under RCW 46.61.526 and suspension of driving privileges pursuant to RCW 46.61.526 (4) (b) or (7) (a) (ii).

(c) A person who violates this section when his or her driver's license or driving privilege is, at the time of the violation, suspended or revoked solely because (i) the person must furnish proof of satisfactory progress in a required alcoholism or drug treatment program, (ii) the person must furnish proof of financial responsibility for the future as provided by chapter 46.29 RCW, (iii) the person has failed to comply with the provisions of chapter 46.29 RCW relating to uninsured accidents, (iv) ~~((the person has failed to respond to a notice of traffic infraction, failed to appear at a~~

For the purposes of this subsection, a person is not considered to be eligible to reinstate his or her driver's license or driving privilege if the person is eligible to obtain an ignition interlock driver's license but did not obtain such a license.

(2) Upon receiving a record of conviction of any person or upon receiving an order by any juvenile court or any duly authorized court officer of the conviction of any juvenile under this section, the department shall:

(a) For a conviction of driving while suspended or revoked in the first degree, as provided by subsection (1)(a) of this section, extend the period of administrative revocation imposed under chapter 46.65 RCW for an additional period of one year from and after the date the person would otherwise have been entitled to apply for a new license or have his or her driving privilege restored; or

(b) For a conviction of driving while suspended or revoked in the second degree, as provided by subsection (1)(b) of this section, not issue a new license or restore the driving privilege for an additional period of one year from and after the date the person would otherwise have been entitled to apply for a new license or have his or her driving privilege restored; or

(c) Not extend the period of suspension or revocation if the conviction was under subsection (1)(c) of this section. If the conviction was under subsection (1)(a) or (b) of this section and the court recommends against the extension and the convicted person has obtained a valid driver's license, the period of suspension or revocation shall not be extended.

Sec. 6. RCW 46.20.391 and 2010 c 269 s 2 are each amended to read as follows:

(1) Any person licensed under this chapter who is convicted of an offense relating to motor vehicles for which suspension or revocation of the driver's license is mandatory, other than vehicular homicide, vehicular assault, driving while under the influence of intoxicating liquor or any drug, or being in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug, may submit to the department an application for a temporary restricted driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue a temporary restricted driver's license and may set definite restrictions as provided in RCW 46.20.394.

(2)(a) A person licensed under this chapter whose driver's license is suspended administratively due to (~~failure to appear or pay a traffic ticket under RCW 46.20.289;~~) a violation of the financial responsibility laws under chapter 46.29 RCW(~~+~~) or for multiple violations within a specified period of time under RCW 46.20.291(~~+~~) may apply to the department for an occupational driver's license.

(b) If the suspension is for failure to respond, pay, or comply with a notice of traffic infraction or conviction, the applicant must enter into a payment plan with the court.

(c) An occupational driver's license issued to an applicant described in (a) of this subsection shall be valid for the period of the suspension or revocation.

(3) An applicant for an occupational or temporary restricted driver's license who qualifies under subsection (1) or (2) of this section is eligible to receive such license only if:

(a) Within seven years immediately preceding the date of the offense that gave rise to the present conviction or incident, the applicant has not committed vehicular homicide under RCW 46.61.520 or vehicular assault under RCW 46.61.522; and

(b) The applicant demonstrates that it is necessary for him or her to operate a motor vehicle because he or she:

(i) Is engaged in an occupation or trade that makes it essential that he or she operate a motor vehicle;

(ii) Is undergoing continuing health care or providing continuing care to another who is dependent upon the applicant;

(iii) Is enrolled in an educational institution and pursuing a course of study leading to a diploma, degree, or other certification of successful educational completion;

(v) Is fulfilling court-ordered community service responsibilities;

(vi) Is in a program that assists persons who are enrolled in a WorkFirst program pursuant to chapter 74.08A RCW to become gainfully employed and the program requires a driver's license;

(vii) Is in an apprenticeship, on-the-job training, or welfare-to-work program; or

(viii) Presents evidence that he or she has applied for a position in an apprenticeship or on-the-job training program for which a driver's license is required to begin the program, provided that a license granted under this provision shall be in effect for no longer than fourteen days; and

(c) The applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW; and

(d) Upon receipt of evidence that a holder of an occupational driver's license granted under this subsection is no longer enrolled in an apprenticeship or on-the-job training program, the director shall give written notice by first-class mail to the driver that the occupational driver's license shall be canceled. If at any time

before the cancellation goes into effect the driver submits evidence of continued enrollment in the program, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new occupational driver's license upon submittal of evidence of enrollment in another program that meets the criteria set forth in this subsection; and

(e) The department shall not issue an occupational driver's license under (b)(iv) of this subsection if the applicant is able to receive transit services sufficient to allow for the applicant's participation in the programs referenced under (b)(iv) of this subsection.

(4) A person aggrieved by the decision of the department on the application for an occupational or temporary restricted driver's license may request a hearing as provided by rule of the department.

(5) The director shall cancel an occupational or temporary restricted driver's license after receiving notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, no longer meets the eligibility requirements, or has been convicted of or found to have committed a separate offense or any other act or omission that under this chapter would warrant suspension or revocation of a regular driver's license. The department must give notice of the cancellation as provided under RCW 46.20.245. A person whose occupational or temporary restricted driver's license has been canceled under this section may reapply for a new occupational or temporary restricted driver's license if he or she is otherwise qualified under this section and pays the fee required under RCW 46.20.380.

Sec. 7. RCW 46.25.050 and 2011 c 142 s 1 are each amended to read as follows:

(1) Drivers of commercial motor vehicles shall obtain a commercial driver's license as required under this chapter. Except when driving under a commercial driver's instruction permit and a valid automobile or classified license and accompanied by the holder of a commercial driver's license valid for the vehicle being driven, no person may

drive a commercial motor vehicle unless the person holds and is in immediate possession of a commercial driver's license and applicable endorsements valid for the vehicle they are driving. However, this requirement does not apply to any person:

(a) Who is the operator of a farm vehicle, and the vehicle is:

(i) Controlled and operated by a farmer;

(ii) Used to transport either agricultural products, which in this section include Christmas trees and wood products harvested from private tree farms and transported by vehicles weighing no more than forty thousand pounds licensed gross vehicle weight, farm machinery, farm supplies, animal manure, animal manure compost, or any combination of those materials to or from a farm;

This exception is not applicable to United States reserve technicians.

(2) Except as provided under section 1 of this act, no person may drive a commercial motor vehicle while his or her driving privilege is suspended, revoked, or canceled, while subject to disqualification, or in violation of an out-of-service order. Violations of this subsection shall be punished in the same way as violations of RCW 46.20.342(1).

(3) The department shall to the extent possible enter into reciprocity agreements with adjoining states to allow the waivers described in subsection (1) of this section to apply to drivers holding commercial driver's licenses from those adjoining states.
