

BE IT ENACTED BY THE PEOPLE OF THE STATE OF WASHINGTON

The Fish and Wildlife Commissionis shall be elected by statewide elections to a six year term in the general election to six year terms at the General Election in even years. Commissioners are to serve until their successors are elected and qualified, and the term shall commence on the Wednesday after the second Monday of January following their election.

The initial Fish and Wildlife Commissions must assume office immediately upon their election and qualification. Staggering of terms must be accomplished as follows:[1]The three persons elected receiving number of votes are elected to six-year terms of office: The three persons elected receiving the next greastst number of votes are elected to 4 year terms of office; And the three persons receiving the next highest number of votes are elected to a 2 year term of office.

[C] If a vacancy occurs the Commission shall function with only 8 members until the folloowing general election. If necessary putting off legislation.

[3] There shall be no favoritism shown in elections pertaining to location of the residency of Commissioners. Elections are to be strictly by one man one vote.

Persons elegible for election as members of the commission shall have general knowledge of the habits and distribution of Fish and Wildlife and shall not hold another State, county or munisiple elective job, nor be in line to directly benefit from their position as a commissioner.

Commissioners shall be paid 300\$ a day when they work
