## A message from Secretary of State Kim Wyman

Welcome to your 2017 General Election Voters' Pamphlet!

This important election features local races and measures that could have a major impact on you and your community. Voter participation data in our state shows many people only vote in the presidential election every four years. But often the decisions made in a non-presidential election year like this are more likely to impact your daily life.

Decisions made by local elected officials determine things like the time it takes first responders to get to an emergency, the maintenance of our roads, or the books our kids read in school. This year, voters will elect the officials who make these important decisions – mayors, city council members, school board directors, and fire and port commissioners. Voters will also determine the outcome of local measures and some Washington voters will vote on special legislative elections to fill unexpired terms.

For the first time since the late 1980s, there are no initiatives or referenda on the statewide ballot. However, there are various tax advisory votes on the ballot and this pamphlet contains information about these advisory votes. You'll find several pages inside designed to help you with voting and the election process.

Remember, in order to vote in this election you must be registered to vote in our state. If you are not a registered voter and want to vote in this fall's election, you have until October 30th to register at your county elections office.

By voting, you are making your voice heard as you help choose our government's leaders. Please take a moment to read through this Voters' Pamphlet, then fill out your ballot and return it by November 7th. Make an impact in your community and our state by voting this fall!

A handwritten signature in black ink that reads "Kim Wyman".

### State Senator

The Senate has 49 members; one from each legislative district in the state. Senators are elected to four-year terms, and approximately one-half the membership of the Senate is up for election each even-numbered year. The Senate's only exclusive duty is to confirm appointments made by the governor.

### State Representative

Phil has been married for 40 years with 5 children, three of whom are decorated US Marines. One son is still serving. Knights of Columbus, 4th Degree. Supports community issues like; Sweats for Vets, Coats for Kids, Relay for Life, Special Olympics, Project Rachel.

**Statement**

As your Senator I am proud to have introduced Constitutional Amendments *Protect our Right to Hunt and Fish* (SJR 8206) and *Ban an Income Tax* (SJR 8204). I will fight against the constant call to limit our gun rights and for more taxes on income, mileage, car tabs and property. I am at the forefront in the war against Sound Transit gouging people on our car tabs. I will work to give us the right to elect our own representatives on the Sound Transit Board, to allow our communities to opt out of ST3, and to force Sound Transit to go back to the people if they go over budget.

I sponsored legislation to reduce or eliminate property taxes for seniors on fixed incomes. As a member of the Veterans and Military Affairs Commission, and the father of three US Marines, I know the importance of honoring veterans.

Funding education is a priority. I will vote for plans that fund education and reduce our property taxes in the process. Allocating funds per student will increase funds in our district for teacher salaries.

I ask for your support to continue the fight against more taxes and to preserve parents' rights.

Michelle has dedicated her time serving our kids and our schools through the PTA. She currently serves as the President of the Auburn Council of PTAs, and serves on Region 9 that oversees 136 PTAs across the region. Michelle is also a member of the American Legion in Auburn.

**Statement**

As a veteran, small business owner, and mom, Michelle knows firsthand that when it comes to the issues facing our community - whether improving our schools, reducing traffic, or building a strong economy - we cannot afford to kick the can down the road. We cannot afford to send more politicians focused on partisan bickering and game-playing to Olympia.

As PTA President, Michelle has a proven track record of delivering results for our schools. She's raised money to fund technology improvements, field trips, and other educational opportunities for kids across our region. She's advocated for increased funding for our schools, for living up to our state's paramount duty of funding education for every kid in every community.

Michelle is ready to continue that fight in Olympia as your State Senator. She is committed to increasing our graduation rates, reducing class sizes, and getting our kids out of portables and in to real classrooms. She is dedicated to reducing traffic so working parents can spend more time with their families. She will work to reduce red tape and taxes so small businesses can thrive.

From working as a union organizer, to a nonprofit leader and now as your state senator, I have dedicated my career to working for economic, social and racial justice. This session we made progress for women, families and workers. I'm proud of the work we've accomplished, but we still have so much more to do.

My priorities are to focus on affordable housing, a transportation system that works for all of us, and a fair economy that holds the wealthiest among us accountable – and ensures investments in the services that make our community strong, like public education, infrastructure and our local small businesses.

**Statement**

Eastside families deserve experienced, professional, local leadership. Education is my priority because public schools are the foundation of our democracy. We must ensure that every child has a plan for success and can take advantage of local opportunities. I will work to create realistic, sustainable funding solutions.

Billions in new state and voter-approved transportation investments will transform our region, but require strong oversight and leadership. I'll demand accountability, transparency and protect the individuality of our district.

I will continue to ensure veterans have access to critical health and support services. Safe communities are my expertise: I will continue to protect victims of domestic violence, keep guns away from criminals, abusers, and children, while working to address issues of mental health, addiction, and homelessness.

I would be honored to represent you, listen to your needs, and build coalitions to bring people together in innovative ways to strengthen our communities. **Community Service**

**Statement**

I am running to be an independent voice for the Eastside; to stop a state income tax, prioritize funding our schools, and get traffic moving again.

We in the 45th District have repeatedly said "no" to an income tax, including a capital gains tax and Seattle's proposed "high earner" tax. New and higher taxes, including the car tab increase, hurt our community.

I am the daughter of a disabled U.S. Army veteran and happily married to an active duty Marine forward deployed in Asia. Like many families, my husband, Geoff, and I chose to live here so when the time comes, we can send our children to our outstanding public schools. I will block tax increases that threaten to drive retirees from their lifelong homes and protect our quality of life by preventing legal heroin injection sites from being imposed on us.

Our beloved Senator Andy Hill passed away last year. While I cannot fill his shoes, I am committed to continuing his work to build a compassionate state government that lives within its means and prioritizes education. I humbly ask for your vote to ensure we have an independent voice and a balance of power in Olympia.

Appointed to State House in 2015, elected by voters in 2016. Appointed to State Senate in 2017.

**Other Professional Experience**

A former prosecutor and city attorney, Patty's legal practice is now devoted to helping the disadvantaged, those facing discrimination, and those injured by drunk or distracted drivers.

**Education**

**Community Service**

Volunteered with Sacred Heart Social Concerns, Congregations for the Homeless, NARAL Pro-Choice Washington, and Chrysalis Domestic Violence Law Clinic. She earned the "Golden Acorn" while serving as Co-President of Chinook Middle School PTSA. She is a current board member of the Anti-Defamation League.

**Statement**

Five years ago, the Supreme Court was clear – Olympia is not making our public schools a priority. That's why Patty first ran for office. Patty supported bills to reduce the achievement gap, provide breakfast after the bell for hungry kids, increase the graduation rate, and make it easier for special needs students to get the education they need to be successful.

Traffic congestion impacts us all. When 405 express tolls were introduced, Patty stood up for us and will continue to fight to ensure all our transportation options are fiscally responsible and get people where they need to go.

While Congress is willing to sell our private information to the highest bidder and take away our health care, Patty fights to protect us. Patty sponsored legislation to prevent selling our private information, and as a leader on the Health Care Committee she will fight to ensure no one loses their health insurance. As an attorney and our State Senator, Patty Kuderer is fighting for us every step of the way.

Endorsed by Lt. Governor Cyrus Habib, Attorney General Bob Ferguson, our Representatives Joan McBride and Vandana Slatter, 48th LD Democrats, WEA, NARAL Pro-Choice Washington, our firefighters, and many more.

Consumer protection advocacy work since 2011. Organized an effort to extinguish an unfavorable amendment in 2015, to help homeowners. Participated in the 2016 One Night Count of Homeless in King County-Eastside.

**Statement**

As a paralegal, I fight to protect homeowners in our community from big banks. Now, I will take the fight to the state senate to protect our community against big party lobbyists.

Instead of funding education, Republicans and Democrats hold our children hostage to partisan agendas. The people have spoken: *Every child deserves a great education*, and I will fight to empower parents and teachers to deliver the best education to every child in Washington State.

It just makes sense for a senator to listen to the people. We don't want a state income tax we voted down, and we don't want sticker shock when we go to pay our car tabs because voters weren't informed about the costs. I will protect your family from more *surprise tax hikes*. Our community should be welcoming and affordable for everyone, but regressive taxes hurt middle class families.

Let's keep property and sales taxes reasonable and work together to prevent those in need from falling through the cracks. As an independent voice, I will hold *both* parties accountable to serve you. I've fought for justice for homeowners in King County, and I will fight for you in Olympia! I appreciate your vote.

# 5 Ways Voting is Unique in WA

1

## Top 2 Primary

Washington uses a Top 2 Primary system, rather than a party nominating system. In our Top 2 Primary, the two candidates who receive the most votes advance to the General Election, regardless of their party preference.

2

## No party affiliation

As a Washington voter, you do not register by party affiliation. This allows you to vote for any candidate in the state primary, regardless of their party preference.

3

## Online voter registration

Washington offers online voter registration. Register to vote or update your address at [myvote.wa.gov](http://myvote.wa.gov).

4

## Vote by mail

Washington State votes by mail. We were the second state in the nation to eliminate poll sites. A ballot is mailed 18 days before each election, ensuring you have time to cast an informed ballot without waiting in line.

5

## Voters' Pamphlet

Only a few states produce a Voters' Pamphlet like this one. In Washington, a pamphlet is mailed to every household before each general election.

# I am a . . .

## Military or overseas voter

You can register to vote anytime on or before Election Day. You may receive your ballot by mail, email, or fax. Spouses and dependents who are also away from home have the same voting rights.

## New Washington resident

Welcome! You can register to vote online, by mail, in person, or when you get your new Washington state driver's license or ID at the Department of Licensing. You may not vote in more than one place, so cancel your previous voter registration.

## College student

You can register to vote using either your home or school address, but you may not register to vote in more than one place. Your ballot can be mailed to you anywhere in the world; however, your residential address must remain in Washington.

## Seasonal resident

You can vote in Washington even if you're away during an election. To ensure you receive your ballot, update your mailing address online or with your county elections department. Your ballot can be mailed to you anywhere in the world; however, your residential address must remain in Washington. You may not vote in more than one place.

## Convicted felon

If you were convicted of a felony, your right to vote is restored when you are no longer under Department of Corrections supervision. You must register to vote in order to receive a ballot.

## Get your e-sticker!

Visit us on Facebook at Washington State Elections and use one of our "I Voted" stickers as your temporary profile picture.

# Counting Your Ballot

## 1 Your county receives your ballot

Deposit your ballot in an official drop box by 8 p.m. on Election Day, or return your ballot by mail - but make sure it's postmarked no later than Election Day!

## 2 Your ballot is sorted

Election staff scan the envelope bar code to find your signature in the state database.

## 3 Your signature is verified

The signature on your ballot is compared to the signature on your voter registration record. If the signature matches, you are credited for voting to ensure only one ballot is counted for you.

If the signature doesn't match or is missing, election staff will contact you before your ballot is processed.

## 4 Envelopes are separated

The return envelope is opened and the security envelope is removed. The envelopes are separated to ensure the secrecy of your vote.

## 5 Your ballot is reviewed

Election staff review every ballot to verify voters followed the instructions. If a ballot can't be read by the scanner, the votes are copied onto a new ballot.

## 6 Your ballot is scanned and counted

Your ballot is ready to be scanned! At 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted.
