Washington State Elections  
& Island County

General Election  
November 8

2022

Official Publication

**WASHINGTON**  
Secretary of State

Ballots mailed out by **October 21**

1 (800) 448-4881 | [sos.wa.gov](http://sos.wa.gov)

On behalf of the Office of the Secretary of State, thank you for participating in our democratic process. I am pleased to present the 2022 General Election Voters’ Pamphlet to help you make informed decisions as you exercise your right to vote. This guide includes information about voting, and the candidates and measures that appear on your ballot.

Before you can participate, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 31, and we encourage you to review your registration information today at **VoteWA.gov**. After Oct. 31, you must visit an elections office or voting center during regular business hours or until 8 p.m. on Election Day, Nov. 8, to register to vote or update your registration and receive a ballot.

After you have voted your ballot, be sure to sign the return envelope. Your signature is important because election officials check that your signature matches the one on your voter registration record before they count your ballot. Next, return your ballot. If returning by U.S. mail — no postage needed — remember that ballots must be postmarked by Nov. 8 in order to be counted. You can also use an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. on Election Day. Check **VoteWA.gov** to locate a ballot drop box or see the status of your ballot.

By voting, you are making your voice heard.

Sincerely,

Trova O’Heffernan  
Assistant Secretary of State

# # Future # Voter

Sign up online at [VoteWA.gov](http://VoteWA.gov) with your Washington state driver's license, permit or ID. Or, you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You'll be automatically registered to vote when you qualify.

Every January on Temperance and Good Citizenship Day, high school students 16 and older have the opportunity to complete a voter registration form in class.

# How do I vote and return my ballot?

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed by **October 21** to the address you provide on your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 8**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 8**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

## View election results online

After 8 p.m. on election night, tallied results from each county are posted at **results.vote.wa.gov**.

Results are updated as counties report and unofficial until certification.

## Your district may have changed

Every 10 years, following the U.S. Census, legislative and congressional district boundaries are redrawn in a process called redistricting.

Redistricting ensures that each district has about the same number of people, which means equal representation in government.

As a result of redistricting, you may have been assigned to a new legislative or congressional district.

If you have changed districts, you will vote on different legislative or congressional races, beginning this year.

For more information about new district boundaries or the redistricting process, visit [www.redistricting.wa.gov](http://www.redistricting.wa.gov).

## How do I know if something is true?

When reviewing online or printed information, think about:

- Who made this, and who is it for?
- Why did they make it?
- When was this made?
- What makes it believable?
- How might other people read this message?
- Ask the experts — consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

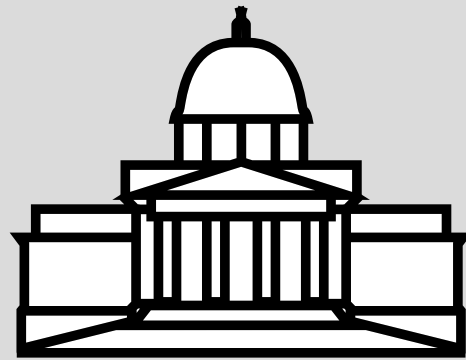

**i** Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General's advisory vote description according to RCW 29A.72.283.

You are advising the Legislature if you do or do not favor a tax increase passed during the recent legislative session.

**Repeal** — means you **don't favor** the tax increase.

The results will not change the law.**

## Engrossed Substitute House Bill 2076

The legislature imposed, without a vote of the people, premiums on “transportation network companies” to provide workers compensation to their drivers, costing an indeterminate amount in its first ten years, for government spending.

This tax increase should be:

- Repealed
- Maintained

## Ten-Year Projection

Provided by the Office of Financial Management  
For more information visit [www.ofm.wa.gov/ballot](http://www.ofm.wa.gov/ballot)

Engrossed Substitute House Bill 2076 (ESHB 2076) Narrative Explanation (required for Indeterminate Cash Receipts)
<p>Section 1 requires transportation network companies (TNCs) to remit \$0.15 of every passenger fare quarterly to the newly created Driver Resource Center Fund beginning July 1, 2024. How much is collected will change each January 1 because remittance will be adjusted each year based on inflation. In addition, the Department of Labor &amp; Industries has no way to predict how many passenger fares will be remitted or how many TNCs will be subject to interest and penalties due to failing to remit payments by the deadlines. For these reasons, fiscal impact associated with section 1 is indeterminate.</p> <p>Section 11 of the bill directs L&amp;I to assess premiums for TNC drivers only for hours while the driver is engaged in passenger platform time and dispatch platform time effective January 1, 2023. These premiums would be used for potential future claims and would be deposited in the Accident and Medical Aid Accounts. L&amp;I anticipates that there would be additional claims filed by these workers and L&amp;I would receive additional premiums for this coverage. However, there is not sufficient data on these workers to determine the volume of additional claims or the level of additional premiums. This section of the bill is indeterminate.</p>

### United States Senator

Senators must be at least 30 years old and citizens of the U.S. for at least nine years. Senators serve six-year terms. The Senate has 100 members; two from each state.

The Senate has several exclusive powers, including consenting to treaties, confirming federal appointments made by the President, and trying federal officials impeached by the House of Representatives.

### United States Representative

**Statement**

These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

**Tiffany  
Smiley**

(Prefers Republican Party)

**Elected Experience**

No prior elected experience, but an extensive background building coalitions and working with members from both parties to enact legislation reforming the Veterans Administration and improving veterans' health care.

**Other Professional Experience**

Triage nurse, full-time caregiver, President and Co-Founder of "Hope Unseen," veteran's advocate, mother of three growing boys.

**Education**

Whitworth College- Bachelor of Science in Nursing

**Community Service**

KADLEC Foundation Board, Elizabeth Dole Foundation, National Chamber for Hiring our Heroes, Veterans Airlift Command, Camp Corral, Smart Women Smart Money, Policy Vet Board

**Statement**

Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

**Rick  
Larsen**

(Prefers Democratic Party)

**Elected Experience**

I began trying to make a difference through public service on the Snohomish County Council, and today, it is my privilege to serve as the Representative for Washington's 2nd Congressional District.

**Other Professional Experience**

I was previously employed by the Port of Everett and the Washington State Dental Association.

**Education**

I graduated from Pacific Lutheran University in Washington state and have a master's degree from the University of Minnesota.

**Community Service**

My parents were an important influence on me, encouraging me to be involved in my local community. Their encouragement continues to be a motivation for my service to our communities.

**Statement**

I am proud to serve the people of Northwest Washington. Representing your voice in Congress is the honor of a lifetime. Our region is special, and so are our neighbors. Your strength and resilience are what motivate me to fight on your behalf every day in the other Washington. Here is why our fight must continue.

You deserve an economy that works for you. Passing the CARES Act in 2020 created an economy on the mend. Passing the American Rescue Plan and infrastructure bill in 2021 created an economy on the move, with low unemployment and strong economic growth. We must now focus on inflation and pass Democrats' plan to lower everyday costs, including health care, childcare, and gas.

You deserve limits on corporate power. This means preventing companies from generating record-high profits on your back by raising record-high prices. It means requiring all corporations to pay their fair share in taxes. And it means getting the power of big money out of our politics and returning power to you.

You deserve a sustainable environment. This means protecting our natural resources, which are critical to existing local jobs that rely on our water, land, and wildlife. It also means reducing carbon emissions, which is the key both to reversing climate change and to creating future local jobs that rely on clean energy.

And, with women's reproductive rights under threat, women everywhere deserve federal legislation that protects their right to choose.

I was born and raised here, and my wife and I are the parents of two boys who represent the fifth generation of Larsens born in this district, I take the future of this community as personally as you do. I am committed to building an economy that creates more jobs and opportunities for all. I ask for your support.

Years of weak representation is enough. I am a *Citizen Candidate who will always work hard for you*, offering *Change: problem-solving statesmanship over partisanship*. I commit to *fully Represent You!* Power and money are represented, we are not!

I offer myself "*for such a time as this.*" Your Vote directs me to change course, carefully, and secure a safe future for ourselves and our children. Respectfully, I ask my opponent and his Party: *Take your hands off our children*. You do not have our permission to teach them hate, to confuse their impressionable young minds, or indoctrinate them with destructive ideology, undermining the family. Please stop.

## Your signature is the key to your vote.

Each election, ballots are returned without a signature or with a signature that doesn't match the one on their voter registration.

Here are a few tips to help make sure your signature passes the check and your ballot gets counted:

- If you register online, we pull your signature from the Dept. of Licensing, so check the signature on your driver's license or state ID and be sure to sign your ballot the same way.
- Your signature does not need to be written in cursive or nicely or even legibly, it just needs to match the one that we already have on file.
- If you have no idea what signature you might have used or it's been a while and your signature has changed, you can always update your signature by returning a paper voter registration form.

If there is an issue with your signature not matching or if you forgot to sign, we will send you a letter and, if we have it, we'll reach out by email and phone as well. To make sure your ballot is counted, you'll need to fill out and return a form we will send you before 4:00 p.m. on November 28, 2022.

**Statement:** Are you frustrated with our government? Trust in government is a top concern of people today. Island County is no exception. This is one reason I'm running for commissioner. My family and I have lived here for 25+ years. With taxes skyrocketing, quality of life worsening, increased homelessness, a troubled hospital, lack of affordable housing, and a government without answers.

I will work on real solutions. I have a track record of meeting challenges head-on. I have taken homeless into my own home and understand the importance of equipping rather than enabling. This council says they're compassionate but their strategies are big government ideas with no expectation of improvement, often put into place without public input.

When elected, voters will know I'm working for them. We will keep what works, and fix or eliminate what doesn't, because I am concerned that our government puts too many resources into efforts that do not improve our community or make it safer. There must be better stewardship of our tax dollars!

There are many issues needing our attention. I'm committed to earning your trust, implementing effective solutions, and striving to preserve the natural beauty of our precious islands.

## City of Oak Harbor, Washington, Proposition 1, Fire Protection Property Tax Levy Lid Lift

### Ballot Title:

The Oak Harbor City Council adopted Resolution 22-17 concerning a proposition regarding the City's regular property tax levy. This proposition would provide funds for fire protection response time improvements, including adding firefighters, vehicles and equipment, improving firefighter health and safety, and funding fire operating/capital costs. It authorizes the maximum regular property tax rate for collection in 2023 of \$2.4886/\$1,000 of assessed valuation (an estimated increase of approximately \$0.6656 per \$1,000). The 2023 levy amount will be used for the purpose of computing the limitations for subsequent levies under Chapter 84.55 RCW.

Should this proposition be approved?  Yes  No

### Explanatory Statement

While the City of Oak Harbor has grown in land area and population over the last few decades, only one permanent full-time firefighter has been added since 2000. Oak Harbor has approximately 0.45 full-time firefighters per 1,000 people, as compared to 1.25 per 1,000 people for like-sized Washington cities. The funds from this proposition would provide funds to add firefighters to bring the ratio closer to 0.85 full-time firefighters per 1,000 people. It would also upgrade vehicles and equipment, improve firefighter health and safety, and provide for fire operating/capital costs.

Proposition 1 would increase the City's regular property tax levy to \$2.4886/\$1,000 of assessed valuation (an estimated increase of approximately \$0.6656/\$1,000) beginning in 2023. The City estimates that the cost of this proposition in annual property taxes would be approximately \$67 a year for every \$100,000 of assessed valuation, or approximately \$5.55 a month for every \$100,000 of assessed valuation. The assessed values are determined by the Island County Assessor.

### Pro Statement

It has been over 30 years since the fire department has requested any funds from citizens. Yes, 30. Yet, we vote on other levies every few years.

You might be thinking to yourself, I've never had to call the fire department-why should I be in favor of this levy? Should there be an emergency, wouldn't you rather not say, I wish there had been a station closer...

There are currently larger gaps in the response time radius than the National Fire Protection Association recommends-by more than double. To tighten that radius, we need an additional station in the SW section of our city. To get this, we must pass this levy. With levy dollars come tax dollars-but only to those who are property owners-and only \$2.35 per \$100k assessed value (not market value) per month. On a \$300,000 home, it's less than \$85/year to have the piece of mind that you are less than 4 min away from a fire station should that call emergency call need to be made. Additionally, if you don't own property in the city limits-this new station will not cost you a dime-so I don't see any reason why you wouldn't be a yes vote!

## City of Oak Harbor, Washington Proposition 2, General Obligation Bonds for Fire Station and Equipment

### Ballot Title:

The Oak Harbor City Council adopted Resolution 22-18 concerning capital facility bonds for fire protection improvements. This proposition would authorize the City to acquire property, construct and equip a second fire station and acquire a new ladder truck to improve fire protection response times throughout the City; issue up to \$9,200,000 of general obligation bonds maturing within a maximum of 21 years; and levy annual excess property taxes to repay the bonds, all as provided in Resolution 22-18.

Should this proposition be?  Approved  Rejected

### Explanatory Statement

The City of Oak Harbor provides fire services to City residents through the Oak Harbor Fire Department ("OHFD") with one fire station located at 855 E Whidbey Avenue. As the City continues to grow and expand, OHFD's response time continues to rise. An independent study in 2016 recommended building a second fire station to improve response times and capabilities.

If approved, this proposition would authorize up to \$9,200,000 of general obligation bonds that would mature within a maximum of 21 years to finance the acquisition of property, construction and equipping a second fire station in the City and acquisition of a new ladder truck. Although the exact amount of property taxes per household necessary to repay the bonds will depend on interest rates and property values, the City estimates that the annual property tax paid by the owner of a home would be approximately \$29 a year for every \$100,000 of assessed valuation, or approximately \$2.35 a month for every \$100,000 of assessed valuation. The assessed values are determined by the Island County Assessor.

Exemptions from taxes may be available to certain homeowners. For more information, please call the Island County Assessor's Office: (360) 679-7303.

### Pro Statement

While the City of Oak Harbor has grown in land area and population over the last few decades, only one permanent full-time firefighter has been added since 2000. Oak Harbor has approximately 0.45 full-time firefighters per 1,000 people, as compared to 1.25 per 1,000 people for like-sized Washington cities. Most of the funds from this proposition would provide funds to add firefighters to bring the ratio closer to 0.85 full-time firefighters per 1,000 people. It would also upgrade vehicles and equipment, improve firefighter health and safety, and provide for fire operating/capital costs.

Proposition 2 would increase the City's regular property tax general obligation bond beginning in 2023. The City estimates that the cost of this proposition in annual property taxes would be approximately \$67 a year for every \$100,000 of assessed valuation. So, on a \$300,000 assessment, it's roughly \$200/year. And remember, this is only a tax on property owners...so if you don't own property, I don't see why you wouldn't be an automatic yes vote!

### Con Statement

No Information Submitted

This office will appear only on the ballots of those voters who reside within the district (Camano Island).
