

Why is my signature important?

Your signature is needed to make sure your ballot gets counted.

The signature on your return envelope is compared to the signature on your voter registration record. Trained election officials are responsible for verifying each and every signature.

If your signature is missing or does not match your voter registration record, the county elections office will contact you by mail **before results are certified**. They may call or email if you gave them this info.

If you registered to vote online or through Department of Licensing, the signature from your driver's license, permit, or state ID will be on your voter registration record.

Voters can track and check their ballot status at **VoteWA.gov**.
