

**GENERAL RETENTION SCHEDULE for  
WASHINGTON'S COMMUNITY and TECHNICAL COLLEGE SYSTEM**

The following records retention schedules pertain to the primary copy of a record regardless of media. Some records are given special designations and/or disposition instructions. When indicated on the schedules the following applies:

- (1) **[OPR]** records are those identified and required by statute that document legal actions or transactions for the college/State Board office and/or fiscally or financially obligate the college/State Board office. They have a minimum retention of six (6) years unless otherwise approved by the State Records Committee.
- (2) **Archival** - Records identified as being of historical value to the State and the colleges. These records must not be destroyed, rather they must be transferred to the regional branch of the State Archives serving your college/SBCTC.
- (3) **Essential Records** - Records identified by the SBCTC/colleges as essential for the continuity and restoration of college/State Board operations after a disaster.

**Included in this manual are nine different schedules (listed below) pertaining to community and technical college records and their disposition. For six of these schedules only one category of records is cited. However, three of the schedules contain more than one category of records. These are Schedule CT01, District/Campus/State Board Office Management with thirteen record categories, CT02, Personnel/Payroll, with two record categories, and CT 06, Fiscal and Accounting Operations with four record categories.**

**Record categories are considered as distinct units by the State Records Committee. A description of each precedes the records series in that category and are approved as a unit by the State Records Committee.**
